D.E.A.R. stands for "Drop Everything and Read," a national celebration of reading designed to remind families to make reading a priority in their lives. In honor of Beverly Cleary's birthday and DEAR Day, the library will drop everything and read for 107 seconds followed by a short celebration in Youth Services.

National Library Week, April 23-29, 2023

Libraries are full of stories in a variety of formats from picture books to large print, audiobooks to ebooks, and more. But there's so much MORE TO THE STORY. Your library also lends items like a ukulele, sports equipment, games, a sewing machine, and STEM kits. Your library programming brings our community together for entertainment, education, and connection through book clubs, storytimes, interactive movie nights, crafting nights, and presentations. Your library infrastructure advances our community, providing internet and technology access, literacy skills, notary services, and support for businesses, job seekers, and entrepreneurs.
